

Sustainability Microgrant – Keele SU

Please answer the following questions and send it to su.activities@keele.ac.uk with the subject heading “Sustainability Microgrant Application”

1. Full Name

2. Student or Club/Society Email

3. Description of Project/Activity/Campaign

Tell us a little bit about what you have planned. Think about the three areas of sustainability - environmental, social and economic. How does your project (or an aspect of your project that you want to improve), link to sustainability? Keep this to less than 500 words.

4. Total Funds Requested (Max £100)

Please state the exact amount of funding for what you'd like to purchase.

5. Breakdown of Costs

Please detail all items you are wanting to fund with individual prices and how many you are looking to source. This means you need to state what your buying, the exact price of every item, and how many of that item you will be buying.

For any print resources you can find prices here
